The **QUILL** *and* **HAMMER**

Published by the Senior Class of

HAAREN HIGH SCHOOL

New York, New York

June

1951

At the end of his high school days a senior looks backward and then looks forward. Yearbooks frequently include lists of important or entertaining events of the four years under the heading "Do You Remember?" and also indicate what plans each graduate has for the future. The wise senior looks back upon his high school days and takes account of his successes and his failures, his sound decisions and his blunders. Such an accounting helps him to learn more about himself, his strengths and his weaknesses. Such knowledge helps him plan wisely for the future. Now is the time to look backward and then look forward.

ARTHUR FRANZEN,
Principal

THE STAFF: Pia, Morgan, Melidones, Ochart, Klamroth, Wilson, Asmondy. Donald Seckans (Absent).

The Quill and Hammer appears this term limited in size. With the suspension of extra-curricular activities, all work had to be done in school. However, we the staff—with little time and less space—have done our best to highlight the events of our four years at Haaren.

THE SENIOR COUNCIL

In spite of the nothing can happen atmosphere that seemed to threaten the Senior Class at the opening of school, or maybe because of that very feeling in the air, the class of June '51 has done more pioneering than any class in recent Haaren History. We were the first class to have Senior Sweaters, but more important, we were the first Senior class to have an all-day outing. This gay event took place at Tallman Park near Nyack. There were two busloads of boys and several carloads. The Senior Council hustled about to do this. A cheer for our principal who lets us try new ideas, and a cheer for Mr. Phillips who organized the sports.

Let's hope every member of June '51 shares this pioneering instinct and follows it to equally successful conclusions.

THE GENERAL ORGANIZATION

For the last two terms the General Organization has suffered the stoppage of its extra-curricular activities, but under the expert supervision of our G. O. Adviser Mr. Weissenberg, the G. O. was able to give all G. O. members full discount privileges as in normal terms.

Despite this suspension of extra-curricular activities, the G. O. conscientiously lowered its membership fees to less than one third its usual quota.

It is the wish of all the G. O. that the situation between the teachers and the city be mended as soon as possible, so that once again our G. O. will function normally.

It is interesting to note that although the G. O. is helpless at present insofar as the above situation goes, a Field Day was planned and enjoyed by all, especially the G. O. members. Most important of all, the issue of student self government was discussed and put into effect more thoroughly than in previous terms.

THE COUNCIL

Senior Members: Michaels, Guzman, Bogdanowicz, Khoury, Dawkins, Zoubandis, Kozlowski, Staten, Gulas, Oehler, Sanchez, Beck, Byrnes, Bernhard.

THE ARISTA

Haaren's Arista is composed of the leading students of our school. Its members are outstanding because they have achieved high ratings in scholarship, character, and service.

The members hope in the future to extend the scope of this society beyond limited school activities. At the present, however, the feature social event is a theater party.

For the first time in several terms all the officers of Arista are graduating seniors. They are James Zoubandis—President, Talmadge Staten—Vice President, Stanley Dawkins—Secretary, Carroll Kozlowski—Treasurer. We hope we can replace them.

We in Haaren are proud of these boys because they have brought honor to themselves, their school, and above all to their parents.

MISS TAUSKY
Adviser

MISS MATLIN, *Adviser*

THE BROADCAST

The June '51 Seniors on the staff of the Broadcast worked on their last issue for June 6, 1951. That last assignment, deadline, typing job, proof reading, copy correction and anxious waiting for the results from the printer certainly were nostalgic moments because they would never happen again.

There would be no more pep talks from Miss Matlin or the editors. There would be no more suggestions from our reading public. Could there be a life without the Broadcast?

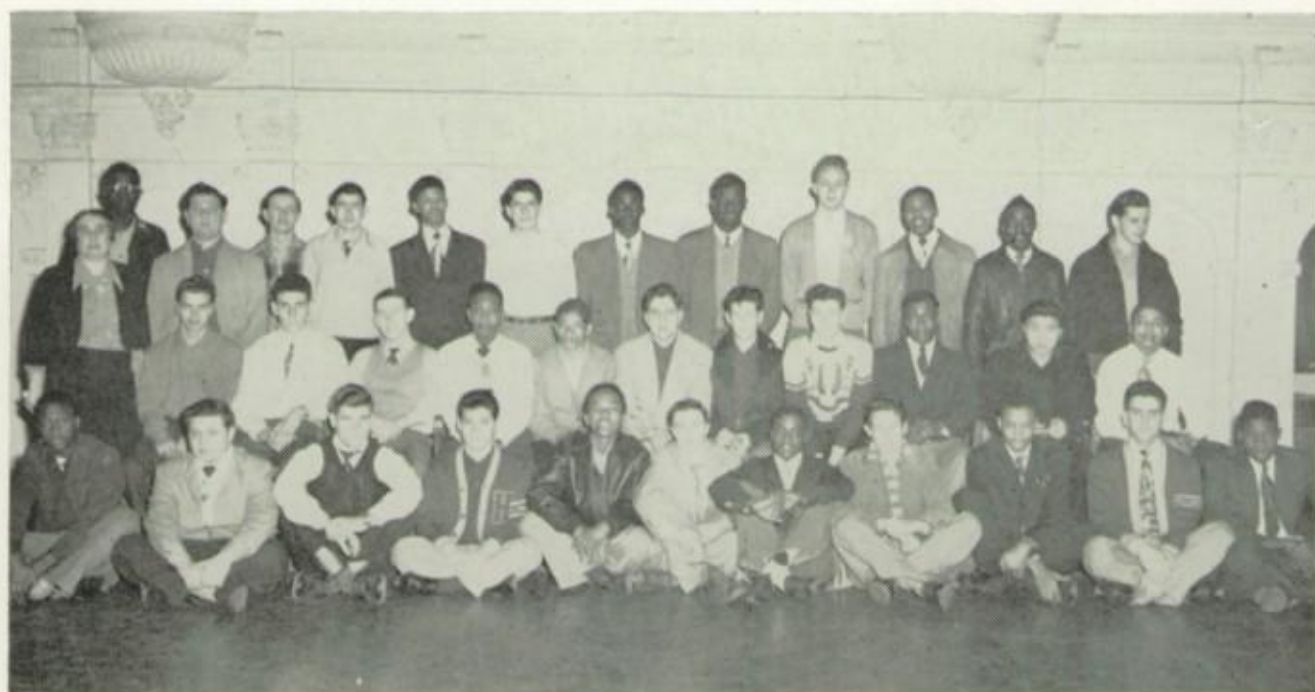

The graduating staff leaves the paper in the hands of the future editors, reporters, feature columnists and typists with the hope that they will carry on as successfully as preceding staffs have, term after term.

Senior Editors: Wilson, Guzman, Bowes, Horowitz, Moore, Oehler, Van Geldern (Absent).
